

ECO friendly Green Exterior Cleaning

Citra-Shield Cleaner

- Green Product
- Biodegradable
- No harmful chemicals
- Cleans all exterior surfaces
- No Rinse cleaner....eliminates power washing
- Removes: green/black algae, moss, mildew, fungus & lichen stains from roofs, siding, bricks, stucco, stone, decks, walkways & wood

How does Citra-Shield work

- Removes the algae growth from the bottom-up
- Destroys the root structure
- Continues to clean for 6-7 months
- Prevents growth from returning

Benefits of Citra-Shield

- Environmentally safe for the community
 - No harmful chemicals
 - Bleach
 - Chlorine
 - Copper sulfide
 - Eliminates thousands of gallons of water used in power washing
 - No high pressure destroying the integrity of the surface
 - Less than 1/10 of the time to clean a community

Benefits of Citra-Shield

- Overall appearance for the community
 - Always stays clean year round
 - No streaks or marks after cleaning
 - Can be used on all exterior surfaces
 - Sidewalks, walking trails, bridges, & road gutters
 - Roofs, pool decks, pool furniture, umbrellas & wood structures
 - Awnings, pavers, perimeter walls, entrances, & signs
